2004 Newmar KountryStar (35.5 ft, Class A) in great condition for sale

Asking price: \$25,000

Purchased 1 year ago and bought house that doesn't have the space to accommodate keeping it.

Everything on it works and kept in very clean condition. Previously owned twice (we're the third owners). This RV has been a labor of love for all owners and there are additions or improvements contributed from each owner.

24,300 miles, non-smoking, clean title, gasoline engine, no history of any water damage, and no current leaks.

Specs:

Size: 35.5ft

Slide outs: 2 slide outs (opposite sides) - one for common area, one for bedroom.

Energy sources: Multiple power sources (generator, electrical hookup - has adapters for 50, 30, or 20 amp outlets, batteries, LED exterior power) Comes with surge protector we purchased for it this Second hand but battery is in good shape to prolong life
