Price:

**4700.00 \$**

Solid SUV for us the last 5 1/2 years. Great traction everywhere - rain, dirt, sand, snow. Engine still peppy. Some of our gear outgrew it, so we got an Excursion instead - otherwise we'd keep it. R/T trim means skid plates and OED enhanced suspension. Seats 7.

Specs: 205K miles, 5.9L Magnum motor, good condition, well maintained, A/T tires have about 8k miles on them, auto transmission, tow package.
